Do we say Happy Hallowe'en in this country? Or is this an American thing that is working its way into British culture. Well, whatever the custom I'm hoping you've got plenty of fake blood, cult horror movies and a polyester vampire costume to sweat your fear into. Though I think you may wish to sink your teeth into the succulent flesh we have on offer this month, rather than a tub of Haribo and Christopher Lee; with Felicity Hill, Sammi Tye, Amber Jayne, Christina Miller, Ana Foxx and Olga all ready and waiting for thrills and spills of the most pleasurable kind. While cover girl Amy Green wants you to make her scream, for your cream. Club Vol.47.12 is a devilish issue with horn aplenty!

Dear CLUB,

My wife and I love your magazine, and often use it to get us in the mood for a good shagging session. Lying on the bed together, looking at the pictures of all those horny babes is guaranteed to get my dick nice and hard and Jane pussy soaking wet. We are fairly liberated and Jane has no problem with me lusting after the tits and fannies on view. In fact, she loves sucking my rigid cock while I tell her what I'd like to do to one particular girl or another. Once I've spunked in her mouth, she'll then describe

licking that pussy in the picture while I run my tongue backwards and forwards over her clit, or insert a couple of fingers inside her until she cums.

The reason I'm writing, is to tell you about an event that happened last week which both of us reckon pushed our relationship to a totally new level.

In the last year, Jane has occasionally held naughty sex aid and underwear parties for her girlie mates. She invites about seven or eight friends round, they all get pissed, have a giggle and she makes a few quid at the end of the night. I usually use these evenings as an excuse to go out with my own mates as Jane has never seemed that keen in having me hanging around the house.

Anyway, last Thursday, she'd organised one of her bashes and I got ready to go out

“She buried my entire shaft up her slit, and began to maul her fat boobs for me.”

with a few of the lads. Unfortunately, there was a bug going round and my evening's entertainment was cancelled at the last minute. Jane's friends were arriving, so I decided to play a few computer games and watch the telly upstairs and let them get on with it.

The howls of amusement coming from the lounge were soon drowning out the TV and, as Jane had got in nearly a case of wine, I realised I wasn't going to get much peace and quiet that night. But little did I know what was about to happen.

“You've been hiding a man up here,” Sandra yelled down to the others as she suddenly burst through the bedroom door without so much as a knock. Sandra is quite a big girl with enormous tits and she was standing in the doorway in a sort of lacy see-through basque thing, her nipples sticking out through two fur-lined holes and the flies on her jeans undone. Jane joined her at the door with a big black rubber vibrator in her hand, giggling drunkenly.

“Which would you rather have then, Sandra,” my wife slurred. “This thick, fake cock up your cunt, or a real piece of meat?”

As she finished the sentence she yanked open the dressing gown I'd put on after my shower, giving Sharon an eyeful of my dick and balls. Even as the two women stared at my crotch, blood rushed to my prick and it began to grow before them until, in seconds, it was standing proudly to full attention. Jane grabbed it and stuffed it in her mouth,

slurping up and down on the shaft as I focused on her friend's protruding nipples. Sandra understood what I wanted and clambered next to me on the bed, her fat tits wobbling as she pushed her chest into my face. I took one deliciously bulging nipple in my mouth and sucked hard, squeezing her other breast with my hand. The flesh was soft and warm and, as my wife continued to suck on my throbbing cock, I realised that this was going to be far more fun than any night out with the boys!

I slid my other hand inside Sandra's jeans and pressed my palm against her bare, moist pussy. A finger slipped between the puffy lips and delved into the folds of her soaking cunt. “Oh, can I put that cock in me, Jane?” Sandra moaned as I dug my finger in deeper. Jane answered by lifting her mouth off my knob and pointing the purple head at her

hole, giving the gals a great view of my glistening cock as it exited her twat before plunging back inside up to my balls. Jane reached between our legs and gripped my knackers as I fucked, knowing this would make me spurt my load with a force that would impress her pals. I groaned as I felt the sap rising and withdrew my shaft, my wife jerking my foreskin as she aimed me at Sandra's quivering tits. A thick arc of spunk jetted out of the tip and splattered on the soft flesh, then another and another. As each dollop of seed landed, Jane smeared it over those ample curves before sucking the final drops of cum from my dick as I

friend.
Sandra's jeans were off in seconds, she straddled my waist and lowered her dripping snatch onto my dick. She may have been a big lass but that fanny felt nearly as tight as my wife's arsehole! She buried my entire shaft up her slit, leant back and began to maul her fat boobs for me, like a slut in a porn film. Jane was stroking Sandra's arse and watching us fuck but couldn't resist cupping those awesome tits in her hands before sucking noisily on her rigid nipples. At this point a noise from the doorway

caught my attention and, turning my head, I saw four or five, wide-eyed women leering at us shagging on the bed. The rest of Jane's party had obviously decided we were better entertainment than a pile of sex shop goodies and at least two of them were busily rubbing in between their legs as they stared at their chum banging up and down on my aching prick. Not wanting to disappoint my audience, I turned us over so that Sandra was now lying on the bed and I was able to pump her

looked over to the door. There were a few flushed faces amongst the girls and they actually gave us a round of applause as I exited stage left, towards the bathroom to clean myself up, while they continued their party downstairs as though nothing had happened. Jane and I have talked about what happened and we're both pretty keen to involve a few more of her mates at her next party. But we'll have to wait and see...
Felix, Dagenham.

That pool looks extremely inviting, as does the gorgeous Olga.

We asked Olga if she enjoyed a dip on occasion.

"I don't mind swimming pools, but I really love swimming in the sea, I grew up close to a beach and would swim nearly every day. There something thrilling about sea swimming, I guess because you can't control the water, it more over controls you."

That's very true, so where you a bit of a beach girl growing up?

"I wouldn't say so, I didn't really go there to hang out, just to swim, but I did attend the odd wild party down there."

Wild parties are always the best parties!

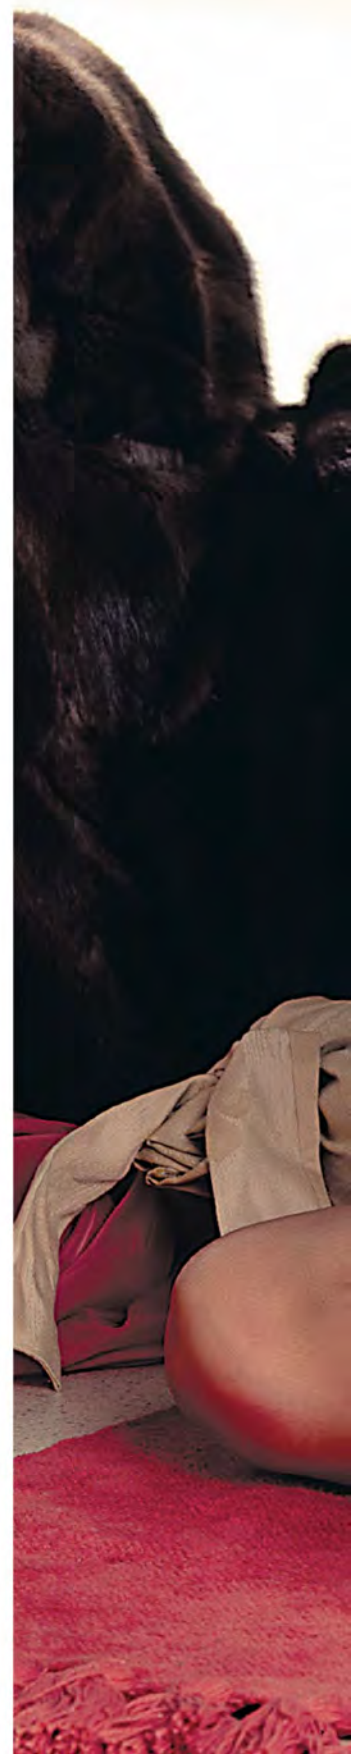

TOTAL RECALL

TOTAL RECALL

Send your Total Recall request to: Total Recall, Club International, 23 Lyon Road, Hersham, Surrey, KT12 3PU or you can e-mail us at clubint@paulraymond.xxx

Dear Total Recall, I've been a fan of Club for many years now, although not always a consistent reader, I do always return again and again. Recently, I've been umming and ahing overwriting into Total Recall, but when I picked up

a copy of Vol 47.11 and realised that this section had gone, I was a little downhearted and wondered if this would be permanent? So throwing caution to the wind I decided to write in and request the possibility of seeing Lucy from either Vol.31.12 or Vol.31.13, I know she's in

one of them, wearing a black lacy top. I thought it worth a punt, just in case you brought back Total Recall (which I really hope you do), it would be great to see the sexy Lucy again. All the best, Rick, Maidenhead.

If there's one thing Felicity Hill knows how to do, it's to tease. She's a pro by our standards, but gentle with it. So after various tongue in cheek gags, going backwards and forwards, we finally got a sensible conversation (as much as we do sensible that is) out of Flick, as she showed us a couple of snaps from a recent holiday.

"It was amazing, the sun was shining, there was a pool, piña coladas in coconuts, ultimate relaxation was reached in more ways than one."

That sounds like a story we'd like to hear, do tell?

"Put it this way, there was some fun in the sun had, with a very dishy guy."

Glad to hear it, lucky chap!

OFF ♣ OUR HEDONIST

Want some fillums? Then how about these!?

Hereditary

DVD £9.99, Blu-ray £13.99

First-time writer-director Ari Aster has produced a truly heart racing and seat jumping film, that's simply terrifying. I can see conspiracy horror elements worked in a similar way to Rosemary's Baby and Don't Look Now, where Donald Sutherland experiences seeing his thirteen-year-old dead daughter, but the billing of 'The Exorcist for a new generation,' doesn't quite tally. This film plays on the horror of mourning and extremity of pain, with skin tingling skill, heightened by excellent direction and orchestral score. The film opens on the well-off suburban family the Grahams, who have recently experienced the loss of a grandmother. The dead woman's daughter Annie (Toni Collette) and her husband Steve (Gabriel Byrne) aren't exactly radiating warmth over the old lady, and their children Peter (Alex Wolff) and Charlie (Milly Shapiro), appear almost relieved by the departure. It would appear the haunting started long ago, as the old dear turns out to be a secret believer in the Occult, who had taken a shine to Charlie, but attempts to release the evil within once she has departed. A Pandora's box style of escaping grief, The Hereditary signals a career shining performance from Toni Collette, who as the deeply troubled control-freak Annie, stirs the entire film to boiling point. Wonderful turns from the young Wolff and Shapiro to boot.

Designated Survivor Season two

DVD £24.99

With all the real drama continuously unfolding in the oval office, it's hard to think that any presidential television drama could be more melodramatic than the reality of the Trump administration; but here we are on season two of Designated Survivor, starring Kiefer Sutherland as the unlikely Big Dog, after a mass attack on the Whitehouse leaves him as the only man for the job. With looming nuclear on set, double-crossing spies, various explosions and Russia ticking everyone's boxes, the unqualified Tom Kirkham (Sutherland) attempts to hold together the chaotic administration. I'm not sure if you could have more of a mirror on World politics today, just with more bells and whistles. An odd punt at escapism, but nonetheless an entertaining thriller.

Jurassic World: Fallen Kingdom

DVD £9.99, Blu-ray £13.99

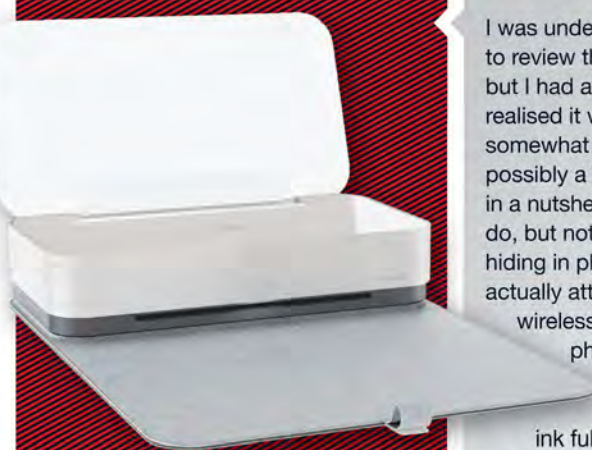

Lots of monstrous dinosaurs running wild around a tiny island, where a theme park lays pretty much in tatters after the last instalment. But now these pre-historic beasts are under threat from the island's volcano, when in steps the pro-dino loving Sir Benjamin Lockwood (James Cromwell) who employs Eli Mills (Rafe Spall) to get the old gang together for an excursion to the island. Claire Dearing (Bryce Dallas Howard) and Owen Grady (Chris Pratt) are reunited for the adventure, though their relationship seems to have ended, but I'm sure some heart-stopping action will rekindle the flames. An entertaining film, but it is starting to feel tired and over-done, but an interesting flip on the idea of Dinosaurs not exterminating us, but us exterminating them.

HP Tango Printer

www8.hp.com

I was under the impression I was supposed to review the new Tango printer from HP, but I had a hard time locating it, until I realised it was the object that looked somewhat like a grey covered book, possibly a Tolstoy at that size. But there, in a nutshell, is the point of the Tango, to do, but not to be seen. But even when it's hiding in plain sight, it's minimalist and actually attractive for a printer. It's also wireless and designed to work with your phone, and can respond to Alexa if you've got a linked up tech house. There's also a smart ink fulfilment from Amazon available for re-ordering, which is useful. But the most important thing is...that it actually prints rather well.

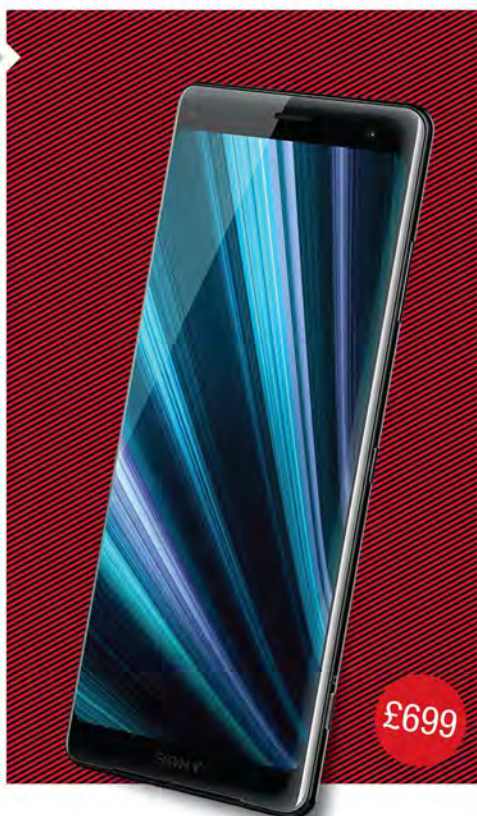

£79.99

Sony Xperia XZ3

www.sonymobile.com

If like some of the population out there you are not an Applelite, and about to re-mortgage your home for the latest iPhone, then the new Sony Xperia XZ3 could be of interest to you. Billed as the Android phone making waves currently, we can see why, with it's HDR enabled 6-inch OLED screen, that pings a whopping 2960 x 1440 resolution straight to your eyeballs. The XZ3 also runs on Snapdragon 845, with all the speed of Roadrunner so you might have trouble keeping up, but don't worry, your phone will be there before you do. And what can we say about looks this time around? Well, it's definitely the best looking Xperia so far, sleek, simple and elegant, in fact I'd go as far to say that it's my preferred Android choice.

£699

Fusion 5 Tablet

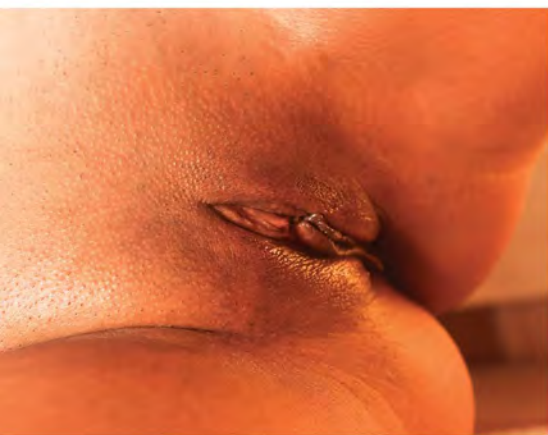

<https://fusion5store.com>

Don't fancy splashing out on a high-end tablet only to drop it as you rush for the train? Then take a look at the low-cost Fusion 5 tablet with 16gb internal storage, a MediaTek MT8163 64-bit Quad-core system, 1080p video decoder, and it supports Android 7.0 Nougat, so BBC iPlayer is a breeze. With a 10.1" screen things aren't small, and the resolution is pretty good for films, T.V, gaming and web browsing. If 16gb storage isn't enough for you, there is a micro-SD slot so you can expand up to 128gb, which is plenty for most. The speakers aren't amazing, but are more than ample for music and films. A tidy bit of kit that will keep you occupied throughout your commute so you can avoid eye-contact with your fellow passenger with ease. An all-around crowd and wallet pleaser I'm happy to say, with no hidden gimmicks

Health and well being are what ladies seem to be about these days. So when Amber Jayne and Christina Miller said they were going for a spa day together, we weren't surprised, but what happened in the sauna was wonderfully shocking! These horny devils were all over each other, tongues in and out of mouths and pussies; it was hard to keep up, even the photographer was having trouble keeping pace with these fine fillies. Luckily he managed to capture some of it for you, enjoy!

Look sharp, Sammi Tye is back in town.

"What do you mean, back in town? I never left!"

Don't mind us, we like to waffle sometimes, and your dead right Sammi, you never left, in fact completely the opposite, with appearances on Babestation and shooting left, right, and centre (no not you lot!), you've barely stood still it seems.

"I enjoy a hectic schedule, especially when it's something I like doing, for example, showing all your horny readers my pink pussy close up."

Sammi's a dirty devil, and that's just how we like her.

SCRUFF JUSTICE!

Please be upstanding!

Step Sister Creampies

Evil Angel

Starring: Chloe Couture, Kimber Wood, Lisey Sweet, Rose Darling, Jake Adams, Nathan Bronson and Robby Echo.

Synopsis: "Kinky director Aiden Starr loves exploring alternate sexuality, and in "Stepsister Creampies" she focuses on taboo relations and forbidden family fun! Insatiable, young fuckers cross the line into deviance, with the graphic visuals and powerful implications of sperm soaking snug, sisterly snatch. Adorable blonde Chloe Cherry knows that Robby Echo has been watching her yoga exercises. The pale, young slut gives her stepbro a sloppy blowjob and rims his asshole; Robby spurts a load internally. Nathan Bronson catches blonde stepsister Lisey Sweet masturbating and watching porn videos. He stuffs her

skimpy thong inside her pussy, and then his prick, and finally his hot semen. Kimber Woods has an illicit affair with stepbrother Jake Adams. She rides his boner in a nasty, family-style fuck till her swollen swamp drips brotherly lust lava. Discovering cum on her soiled panties, young Latina Rose Darling shows her stepbrother a hotter place to deposit his splooge! After a wet, gagging blowjob, he climaxes inside. Rose's cunt oozes spunk, which the dirty girl licks from her fingers!"

Courtesy of Evil Angel

Verdict: Keep it in the family, could be the motto of this film and it looks like each member is as naughty as the other. Yoga

turns into a stepsibling bangathon as Robbie Echo enjoys a rimming from Chloe Cherry, before making sure he unloads his seed inside her. There's a lot of sloppy blowjob action in this feature, and the creampies are worth the wait!

Dark Obsession

Digital Playground

Starring: Ana Foxxx, Romi Rain, Charles Dera and Xander Corvus.

Synopsis: "A man's ex-wife comes back to haunt him – even with a second wife now

in the picture. Some people just can't let go. And her stranglehold will soon become deadly..."

Courtesy of Digital Playground

Verdict: One of the most effective opening titles I've seen since Westworld, more readily seen on Netflix than the world of adult entertainment. So we are off to a good start here with Icey Mike productions, as the movie pans in on a well-to-do house, where the occupants are happy to indulge in a little

action during breakfast, but who's this creeping around outside, taking a good long look through the windows could it be Miss Romi Rain? It certainly is. Well, at any rate, she's not looking too happy at Ana Foxxx and Charles Dera enjoying themselves. The positions are varied and adventurous, as he splashes his creamy load over her cheeks. Still, it looks like their happiness has a timer on it as Rain gets in touch with Xander Corvus, Foxxx's jilted lover and money exchanges hands but only after a bathroom bang. There's some dick on tit play before Rain hoovers up Corvus' meaty monster. But the Rain is still hungry for cock even after a good shafting in the bathroom as she stalks

out her ex for some bump and grind in his car, there's dirty talk, sloppy blowjobs and boot banging, as these two shag it out.

RUE

Amy Green has always been able to carry off the colour red well, and any other colour for that matter, especially when it comes to lingerie, as you can see for yourself.

So what has this blonde beauty been up to of late? We did see some saucy pics circulating of you and Penny Lee?

“Someone’s a twitter snoop!”

All in the name of research, I can assure you.

“Your assurances don’t wash with me, but yes, you’re quite right Penny, and I did a naughty shoot together. Did you see the part where I bit her bum?”

Yes, we did and a lot more besides, much to our joy.

X Hot blooded could be a way to describe Lara Duro, the riveting Spanish beauty who is making her Club debut this month, another way of describing her would be, insatiable horny we reckon. But what doth the lady herself have to say on the matter?

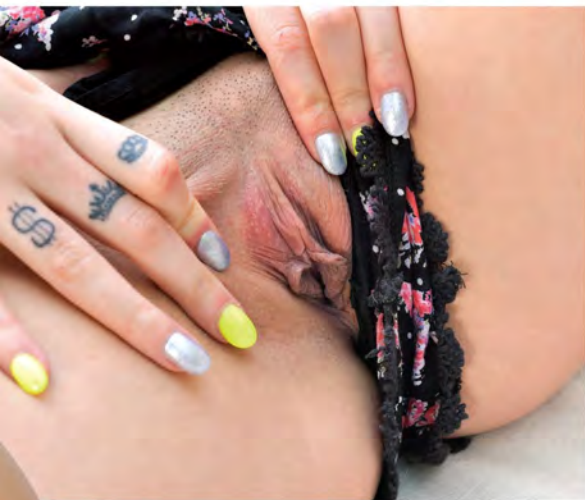

"I just can't get enough! And when I do have sex, I'm a real hard fuck."

We have heard the rumours.

"I bet you have, I worked with Private recently, and I asked the guy to give me a real pounding for the camera!"

BACKDOOR KNOCKER

I'd like to tell your readers about the sexy black girl that I am currently going out with. Marie is very nearly six feet tall, with lovely big knockers and a curvaceous arse, which makes my cock hard just thinking about it. She's one of those loud, in-your-face kind of people, which is a bit like I am myself, and I love the way she dresses. She mostly wears very short skin-tight dresses with very low necklines. The best thing about Marie is that she's always up for sex and for the first time in my life I have met a woman who not only enjoys a good shag as much as I do, but doesn't try to disguise the fact.

The truth is that from the very first night we were together, Marie has been a real dynamo in the sack. She couldn't wait to strip off my shorts to get at my cock, and as soon as she had me stripped and on the bed she crawled between my legs and began to lick the head of my prick with her long, velvety tongue. I lay back like a king while she sunk her mouth right down on my throbbing member. It was a perfect moment and one that I'll never forget. Her full lips latched around the base of my manhood as she sucked so hard that her cheeks hollowed. I was rock hard as she bobbed her dark curly head and slurped my meat deep down her throat. She was

wicked, and knew just how much pressure was required to have me dangling on the edge of orgasm.

When she finally came up for air and rolled over beside me, my boner was throbbing and ready for action, so I straddled her waist and buried my face between her big soft boobs. Reaching down, I guided my dick to her juicy black pussy. I began sliding my cock head up and down her slit, rubbing it against her clit, which caused her to breathe a little harder. Her pussy was warm and wet and I nudged my helmet between her sticky pussy lips and pushed it inside. She was very tight and her pussy walls hugged my dick, gripping it tight as I pumped in and out of her. She wrapped her arms around my back, and, as I thrust deeper inside her luscious cunt, she dug her long red, varnished nails into my back.

“The harder I pumped my cock inside her, the hotter and more demanding she became.”

Marie was sizzling hot, and I pushed my full length right inside her. She raised her back and her pussy literally sucked my dick until it was balls deep inside her. Bucking wildly under me, she slammed her hips upward to meet my thrusts; increasing the pace with every jab my shaft gave her. I love it when a woman tries to take control, so I allowed her to set the pace.

Marie's pace was, as always, fast and furious and her hips ground and bumped into me as her pussy contracted around my penis. I raised her left leg and placed it on my shoulder, allowing me to get deeper penetration. She flung her head back and her mouth opened as if to catch her breath.

The harder I pumped my cock inside her, the hotter and more demanding she became. I watched her beautiful dusky breasts bouncing, as I humped her for all I was worth, really giving her hot pussy a thorough sorting. It was really fantastic just watching those firm black tits bouncing up and down as I banged her beautiful pussy, and no end of an additional turn-on.

I fucked her in this position for a few minutes, pounding her pussy with all the force I could muster. She was squealing when I lowered my hand to her pussy and tickled her clit. With that, she let out a loud moan and started to cum. Her pussy gripped my shaft even more tightly contracting and spasming as she climaxed repeatedly.

Watching this sexy ebony-skinned woman of mine enjoying multiple orgasms was just so erotic I can't tell you just how unbelievably excited it made me feel. I kissed her hard and she sucked on my tongue in the heat of our passion. While we kissed, she continued moaning and I could feel her hot breath catching inside of my mouth. Finally, as our

within a few minutes of meeting him that I wanted to have sex with him and as the night went on we got more and more flirty with each other. It was obvious that we were going to fuck and when we finally poured out of the cab at my place at about one in the morning I was looking forward to a right old rogering – and to be fair to Dave, so was he. At least until he saw the array of toys on my bedside table, he was!

“Bloody hell. Are these all yours?” he asked, his eyes wide as you please. “Yes. Do you like them?” I asked flirtily. “Course I do. How about a show?” said Dave. “Seeing as it’s you I’ll do you a favour,” I said, disappearing off into the spare room to get myself prepared. Once in there I put on crotchless knickers, stockings, sussies and a little push-up bra. Hey, I like to show off and here was a

lips parted, I felt my balls tighten and knew that I was about to cum. Then to my surprise, Marie reached down between our bodies and began rubbing my balls.

This was just one fancy move too far for me, and my whole body stiffened and jerked as I started shooting my load deep into her beautiful black pussy. Her fanny continued gripping my dick until I was totally spent, milking me of every drop of my spurting cum. Marie was still catching her breath when I collapsed beside her. I held one of her firm breasts and lowered my head to her tits and sucked on her erect nipples. I felt her moan again as she held my head there, and we ended up falling asleep in that position.

John, Maidstone.

TOY STORY

I like sex toys. Lots of them. I like the feel of them up my pussy and up my arse. As far as I’m concerned they are the greatest invention

since, well, since the dick. Though come to think of it, I reckon they’re better than a dick. Not that I’m averse to a large portion of cock when there’s one going, but they’re not as reliable as a good old dildo, are they? Anyway, the best thing about sex toys is that blokes seem to be as obsessed with them as I am. Whenever I pick a guy up and end up back at my place with him I can see their eyes sticking out on stalks when I produce my box of goodies. I sometimes think that blokes like to see a girl playing with herself and using all the necessary implements even more than they like shagging. Let me tell you about Dave just to make my point.

I met Dave at a club the other week. He was cute-looking, funny and sexy at the same time. I knew

I said. "When I take my next toy I will allow you to masturbate in front of me. If you touch your tool beforehand then all bets are off." I leaned over and selected a double header. It was absolutely my favourite, the sex toy that was guaranteed to bring me to a climax. I sat on the floor in front of Dave, my back leaning against the wardrobe and slowly worked both ends into my pussy and arse. The feeling of both holes getting some attention at one and the same time

“ He got down on the floor and started to work the dildo in and out and around.”

sexy guy with a rocket in his pocket looking for me to entertain him. I wandered back into the bedroom and told Dave I wanted him to strip so that I could see his cock. "I want to see what I can do to you," I giggled. He stripped as quickly as I've ever seen anyone strip before and Dave sat back on the bed with his hard-on sticking into his belly.

I started to gyrate in front of him, dancing to the music he'd put on the CD player. I bent over and wiggled my arse in his face, making sure that I slipped a couple of fingers along the edge of my pussy. I'd seen lap dancers do it and thought it looked sexy. I turned to face Dave and rubbed my boobs together, keeping an eye on him for any reaction. Dave reached for his cock.

"Uh, uh," I said, wagging my finger at him. "You don't touch that, baby." Dave moved his hand away. I reached into my box of tricks and pulled out a large, black dildo, one of my favourites. I started off by using it more as a vibrator, working it around the edge of my labia, rubbing at my pussy while dancing all the while. I loved the feel of the dildo against my flesh and straight away felt that 'special' tingle. Dave looked like Christmas, Easter and his birthday had all come at once. The only problem was that he couldn't come himself, which meant he was getting seriously frustrated. Hey, all good things come to he who waits.

I knew my pussy was wet enough, so flipped around, bent over and eased the dildo straight into my love hole. I eased the toy back and forth, gently at first, then faster and faster, almost forgetting that I had an audience. I felt like I was about to come, but

pulled the dildo out just before my orgasm started. I had some other plans.

I looked at Dave and could tell that he was absolutely bursting to jerk himself off. "Dave,"

really turned me on, but not as much as it excited Dave. The minute my dildo touched my fanny he grabbed hold of his dick and started pumping it for all he was

worth. I had hardly begun to work my toy when Dave unleashed a thick stream of come that flew through the air and spattered all over the floor. So Dave had climaxed, but I was only halfway there.

"Use this on me Dave," I ordered, moving my hands away from the dildo and offering the whole package to him. He got down on the floor and started to work the dildo

"Her fanny continued gripping my dick until I was totally spent..."

in and out and around and around. I was in heaven. Dave did his job well and within a few seconds I started to come; loud orgasms worked their way through my body and I shuddered as Dave moved the dildo to make sure the very last drops were drained from

me. We both collapsed on the floor through the sheer exhaustion of it all. Dave had been so excited by my dildo displays that it wasn't until the following morning that we actually got around to fucking. See what I mean about the power of the sex toy? Take my advice girls, they're the way to a man's hard! Pippa, Perth.

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

HOME DELIVERY

I'm not one for beating around the bush, as they say, so let's get straight to the point. There's nothing I like better than anal sex. It's not that I have anything against the front bottom. It's rather that I have an insatiable desire for the tradesman's entrance that defies all logic. I don't analyse it though; I just act on it. And you'd be surprised just how many girls like it up the bum. I'll tell you a story about what happened to me a couple of weeks back just to prove the point.

Kerry is a physio who I got to know from playing squash at my local health club. She has a practise on site and when I did something unpleasant to my shoulder the other week I popped in to see her. She was very bubbly and friendly, which I think is all part of the job for people like her. You have to make people feel welcome and feel that you care about them, otherwise they won't be back. But even though I knew this, I just felt there was a little bit of chemistry between us. As she was massaging my shoulder while I lay face down on the treatment table, Kerry kept brushing her boobs across my back. Now of course I couldn't say for certain that she was doing it deliberately, but I suspected it might be a little bit of a come on.

"That will need some extra work," she said as I was putting my shirt on again. "Can you come back on Friday? Or maybe I could visit you. I do home visits, you know?" Well I didn't know that, but the thought of having a 19-

year-old, cute-as-can-be brunette with a tight arse and biggish tits working on me in the comfort of my own home seemed like a fine idea. I readily agreed and come Friday I was full of anticipation as to whether I really would end up getting to grips with Kerry or whether I had read the signals all wrong and would be sorely disappointed.

Kerry looked great when she arrived. She was wearing a little white physio's top and blue tracksuit trousers, with her lips a vibrant red from the lipstick she'd clearly only just put on before ringing the doorbell. I took this as a good sign of things to come.

I sat down on the side of the bed upstairs with my shirt off, wearing nothing but a pair of shorts as Kerry got to work on my shoulder. I couldn't help thinking about fucking her as we chatted away and without really noticing I

"I gently guided my helmet...with the minimum of force slid straight into her arse."

suddenly got a hard-on which was pretty obviously noticeable through my pants. Kerry clocked it straight away and I sort of grunted out of sheer embarrassment, really.

"Oh, don't worry about that," she smiled. "It happens." Then there was a pause. "Would you like me to get rid of it for you?" I was right, then. "Sure," I grinned. "How are you going to do that, then?" No answer. Kerry stood up, put her hand in her pocket and pulled out a hair band, which she quickly used to tie her long hair back. She casually pulled my shorts down and released my springing cock. I imagined I was just about to get a great blow job, but no. Kerry popped the buttons on her top, kicked her shoes off and shimmied out of her jogging pants. I looked at her standing there in nothing but sporty-looking bra and panties. She really did have a great body, firm and toned. She unclipped the bra to let her lovely boobs fall free, then flipped a clasp on the side of

her panties and let them fall to reveal a perfect pussy.

This is where things started to get really interesting, though. Kerry turned around and gave me her best model's pose as she bent over, completely uninhibited, then said "I have this thing I like." "Like what?" I asked, playing the game with her. "I like to... to receive," she said. "Oh," I replied, feigning surprise, while thinking how it was incredible that I always seemed to find girls who love anal, since that's my biggest thrill. "You do, do you?" Kerry nodded. "And there's a bed right here," I continued. She didn't need asking twice and sank onto the bed on all fours, sticking her pert and tidy arse in the air straight away.

I manoeuvred myself into position behind her, first using a little bit of spit from

my hand to lubricate her tight rear entrance, then nudging my throbbing purple head towards her. There wasn't going to be any foreplay here, just straight down to business anal action. Which suited me just fine! Kerry placed one of her own fingers against her rear entrance, then started to work it into her own arse hole, groaning a little as she did so. I waited patiently while she began to work herself, though I was obviously desperate to thrust my cock into her back passage. My patience was rewarded when after a couple of minutes Kerry whispered, "I'm ready now." She certainly was. I gently guided my helmet

towards her and with the minimum of force slid straight into her arse.

Kerry groaned with pleasure as I started to work my dick back and forth, sliding right up to the hilt, then pulling out. I worked my cock slowly to give both Kerry and myself the full penetration sensation, trying not to hurry, trying not to work myself to such a frenzy that I shot my wad too soon. Kerry was a talker. "Stick it in all the way," she said. "I love your cock. I love your cock in my arse," she continued. Now this was making things very tricky for me, because I really love it when a

girl talks dirty too.

I started to quicken the pace, sensing that Kerry was starting to approach her climax. She managed to balance herself with one hand on the headboard and reached between her legs with the other to drive two, maybe three fingers into her pussy, while I pounded her bum. This was amazing! In the next few seconds I felt my stomach tighten and shot what felt like an amazing amount of seed deep into Kerry. Almost at once she came herself, screaming "I'm coming, I'm coming!" before I felt her tighten her cheeks with the thrill of orgasm. It was the perfect back door experience.

Kerry and I have had another encounter since and we're both really happy to have met someone else who is as much a fan of anal as the other. Let's hope it continues, eh?

Paul, Wrexham

CRAVIN' GEMMA

I want to tell you about a great fuck I had after a party at a friend's house a couple of months back. The party had finished and most people had either gone home or gone to bed. I was sitting in the living room talking to Gemma, who is a friend of a friend. I didn't know her that well, so it was nice to get the chance to get to talk to her, especially as I'd often thought she would be an awesome shag. Gemma's six foot tall, blonde, in her mid-twenties and is very curvy.

Anyway, I finished my drink and asked her

if she wanted to crash on the sofa and I'd do my best to pass out in an armchair. She suggested we could both fit on the sofa. I knew this was bollocks, so thought this had to be a good sign. I joined her on the sofa after stripping to my pants and immediately found out I was right; there was no way we'd be able to sleep a wink like that.

But sleep was the last thing on Gemma's mind. At once she started to stroke my cock through the material of my pants. We kissed and I reached for one of her huge round breasts and large nipples as she put her

her, but as I was getting ready to stick my cock up her soaking cunt she reached behind and started smearing her pussy juices onto her arse.

“Fuck me up the arse,” she ordered. I didn’t dare argue and gently pushed the head of my cock against her impossibly tight arsehole, then slid into Gemma’s lovely little butt. It felt great and when I began to build a gentle rhythm the feeling was unbelievable. I started pumping harder and faster, reaching round with one hand to stroke her nipple. “Squeeze it hard,” commanded Gemma and I quickly tweaked it.

I fucked Gemma’s arse like a man possessed and tweaked her nipple until my fingers hurt. I couldn’t hold back any longer and shot a load of spunk into her, then pulled out and splashed the last of it on her arse. I really enjoyed meeting Gemma, a girl who could be as firm with me as I was with her.

Ian, Leeds.

hand in my pants and started first squeezing, then wanking my cock. My dick got hard in a second and so I started to suck on one of her nipples until that too was rock hard.

Gemma slipped off the sofa, knelt on the floor and started wanking my cock whilst licking the head. It was driving me wild as she took my cock fully in her mouth and licked the underside of the head with slow strokes of her tongue. I told her to stop because I thought I was going to spunk in her mouth and I really wanted to fuck her. She made me lie on the floor and slowly lowered herself onto my rock hard cock. The feeling as Gemma slid down onto my knob

was incredible, but got even better as she began to ride me aggressively. “I’m gonna fuck you hard, you bastard. Don’t you fucking dare come yet, don’t you fucking dare.”

By now Gemma was so wet I realised she was just about to come herself and when she did she ground down so hard on my pelvis I thought she was going to put me in hospital. I survived, though and when she finally collapsed onto me, my cock still rock hard inside her, she quickly asked what I wanted to do now. I told her I wanted to fuck her from behind, so Gemma obligingly got down on all fours. I positioned myself behind

Ana Foxxx has been making quite the name for herself over the pond, where her films have been received upstanding.

"I've been fortunate to work with some of the best studio's, like Digital Playground, when I filmed Dark Obsessions, which was great fun."

We also saw a great threesome between you, Riley Reid and Manuel Ferrara.

"Oh, you liked that huh?"
We sure did!

"Well I'll let you in on a little secret, Riley's pussy is just delicious!"
It certainly looked like you enjoyed going down on her from where we were.

What our well-placed moles are telling us this month...

DOWN THE WIRE

RAM REMS!

Ram-Raids are a popular way for the criminal fraternity to bust through the doors and windows of places they want to shake down, but a group behind the recent robbery of an Apple Store in Temecula, California, made a few basic errors. They ploughed a BMW X5 SUV through the doors, three men hopping out to nab a load of iPhone 4's (ignoring the much more expensive Macbooks, for some reason). Police reviewing the footage could clearly read the license plate, but didn't even need

to, as the plate came off during the escape, the BMW catching a flat in the glass as well and being abandoned nearby. Police then found a suspect walking by a nearby mall, the keys to the BMW – of which he was the registered owner – in his pocket. How not to Ram-Raid, in other words.

THE SELF-ARRESTING CRIMINAL!

A strong contender for most stupid criminal ever is Alabama man Jerry Lee Washington Jr. Washington was probably in the process of robbing the house of Joey Buchanan, when the family returned to find his car parked in their drive. Washington, hiding in a bush, ran to his car, Buchanan's grandfather opening fire at the motor but missing. Buchanan was injured by Washington's car, but the thief decided, for reasons we can only speculate on, to later drive to the police station to file a complaint about damage to his car. He was arrested immediately. "Some people aren't as bright as they think they are," Buchanan commented, accurately.

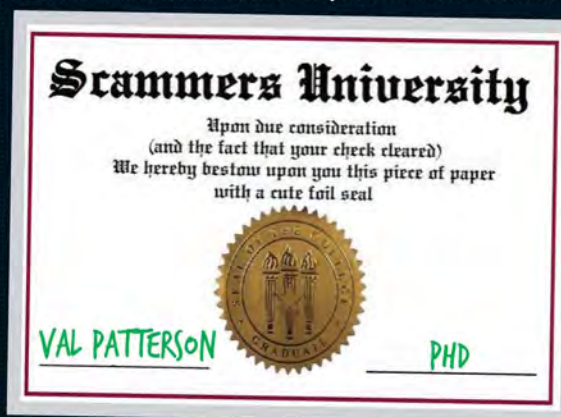

He shot my baby!

FAMOUS LAST WORDS!

Val Patterson, a 59-year-old man from Utah who died of throat cancer, didn't go quietly into the afterlife. No, he left a self-penned obituary that included loving tributes to his wife and the rich, fulfilling life he felt he'd lived. But it also included some confessions. "I am the guy who stole the safe from View Drive Inn back in June, 1971" he wrote, before revealing that the PhD he'd claimed to have wasn't legitimate. "I never even did learn what the letters PhD stood for" he confessed. He then told people he was banned for life from Disneyland and Sea World, before ending with

some truly profound advice: "If you want to live forever, then don't stop breathing, like I did." Val Patterson, we salute you.
